
As we enter another day, another year at King High, we face many memories — of moments happy and sad.

We, the staff of the 1963 El Toro hope that this yearbook will bring back the memories of this, our last year in the old building and our first year in 4A rating.

With these objectives, we present to you: the...

Kingsville, Texas

In Memoriam

Glenn Shelley

"His life was gentle, and the elements so mixed in him that Nature might stand up and say to all the world 'This was a man!'"

In the Twentieth Century Shakespeare's lines could be an appropriate epitaph to Mr. Glenn Shelley, King High counsellor, who lost his life in an automobile accident on November 3, 1962.

The blended elements of his genial personality revealed to his world of students, friends, faculty, and family, a man of honor, love, and understanding. In his willingness to share himself with others, he dispensed encouragement and friendship tinged with good humor and a sincere desire to help.

YESTERYEAR IN KING HIGH

In 1906, six years after the turn of the century, two years after Kingsville had been founded, the first school in Kingsville was established. It was a one room, one teacher school with an initial enrollment of thirteen pupils. The school is pictured in the above photo. Rooms have been added, and the building has been remodeled, but a portion of it is the original school. This building on Alice and Third Streets remained the "schoolhouse" of Kingsville until the fall of 1910, when a new and larger school took its place.

This new school was Henrietta M. King High School. Now, after fifty-four years of occupancy by high school students, this King High will also retire to make room for progress. In the fall of 1963 a new high school will take its place.

As we anticipate the years ahead in our new school, many of us will also retain fond memories of the good times, as well as, disappointments experienced in King High.

Let's look back into the seeds of time to the beginning of Henrietta M. King High School.

King High of 1910. Note the fence in front of the school to keep out the livestock.

Newlee Hall was built in 1937 for the Music Department.

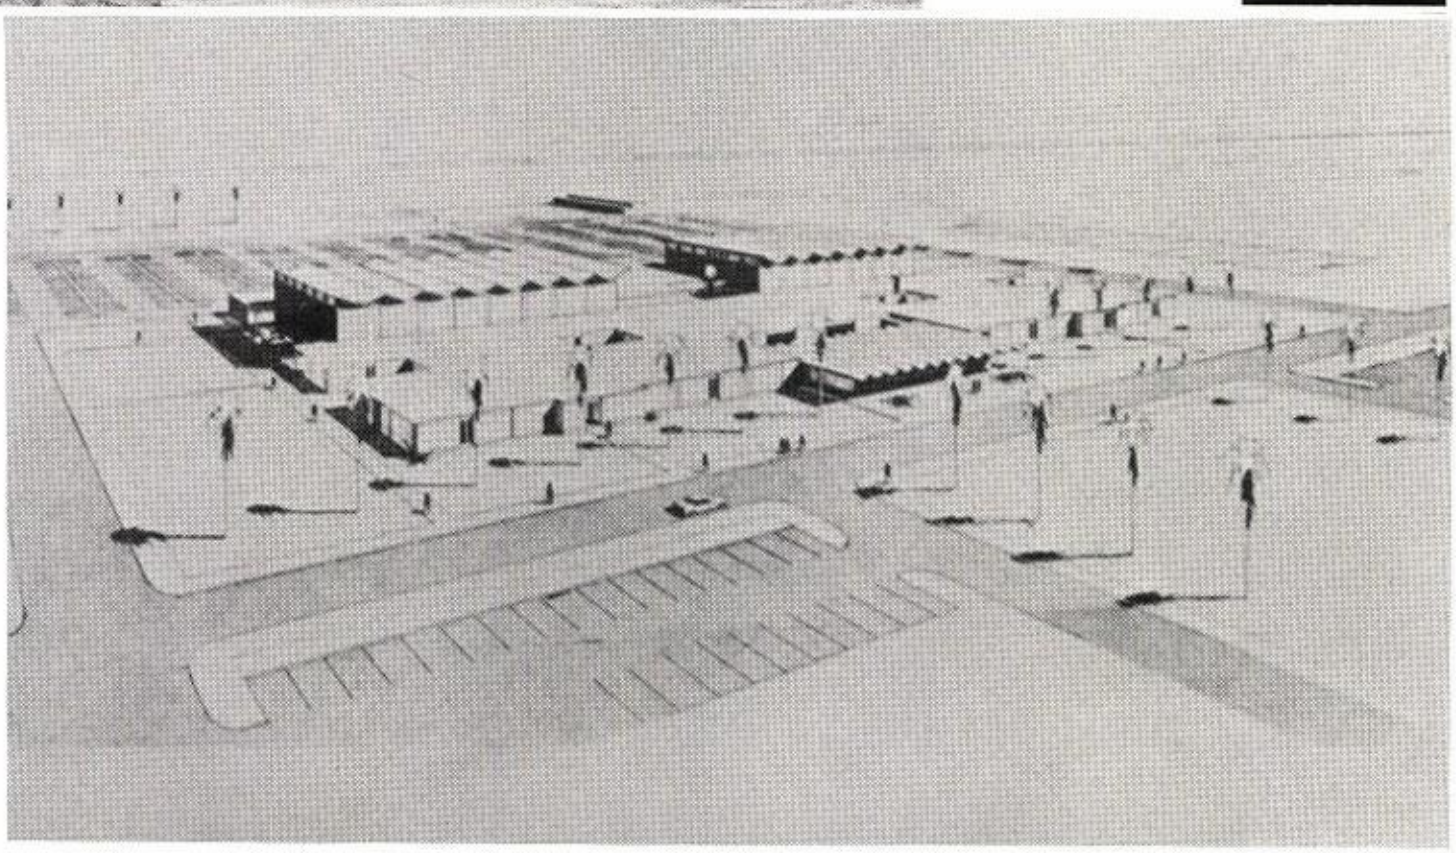
The cornerstone of King High was laid in 1909 after Mrs. Henrietta M. King had donated funds for the construction of the school. In September of 1910 the enrollment had reached 600 in eleven grades, taught by 17 teachers. The first diplomas were awarded in 1913 to a class of three boys. In the same year the school was affiliated with the University which required 15 credits for graduation.

In 1925 King High School burned but was replaced in 1926 with funds from insurance and a bond issue.

KING HIGH MARCHES ON

The Home Economics Building on the right was built in 1940.

In 1951 Wade Hall, the final addition to the campus was completed. It was to be used for the science department.



Having expanded its capacity, the present King High will retire and let the new high school take its place in the late fall of 1963.

ADMINISTRATION AND FACULTY

Administration

Mr. John S. Gillett, superintendent of schools, and the Board of Education are vitally important to our school system.

The Board consists of the following members: Dr. Chester Dunn, Mr. Gene Rogers, Mr. Bob Hope, Mr. John Gillett, Mrs. T. G. Knight, Mrs. J. C. Jernigan, and Mr. Nick Harrell.

They have given of their time, talents, and wisdom to improve our schools.

This has been Mr. Paul Jones' second year as Principal of King High, with his duties ever expanding to meet the demands of a growing school system. He has tackled his many duties with enthusiasm and has worked hard to help establish a more complete and efficient school system.

At mid-semester Miss Mary Troy, former King High math teacher, became the new Counselor. She pauses here briefly for the photographer.

Mr. Sherman Schroeder, director of attendance, listens patiently each morning to Johnny's and Mary's excuses for yesterday's absence.

Mrs. Thelma Peterson, standing, and Mrs. Kathleen Fish, seated, work together on the many varied projects that become the responsibility of the office secretary.

Language

The English department trains the student to write correctly and concisely, to increase his vocabulary, to appreciate good literature, and to extend his recreational reading.

Students are introduced to several types of literature during their three years of high school English. Included in the selections studied in the sophomore year are "Julius Caesar," *Silas Marner*, and "The King and I." In the junior year American literature is emphasized with contemporary writing and non-fiction articles, and the play "Our Town" is especially enjoyed. Included in senior English selections are "Macbeth," poetry of Browning and Tennyson, and "Pygmalion."

Mrs. Bledsoe checks homework.

Pam Skipper and Candy Paulk give their rendition of "Gen. William Booth Enters Heaven."

Arts

Today increasing numbers of students are realizing the importance of mastering a foreign language. At King High, Latin and Spanish are offered. In Spanish classes, the student learns to read, write, and speak the language. The two years of Latin are devoted to laying the foundation of the language from the standpoint of grammar, and vocabulary.

Speech offers an excellent opportunity for students who are seeking poise and self-assurance in formal speaking. Journalism covers all phases of news writing — news coverage, sports writing, editorial writing, advertising, and creative writing.

The library is the focal point not only for language arts, but also for other departments.

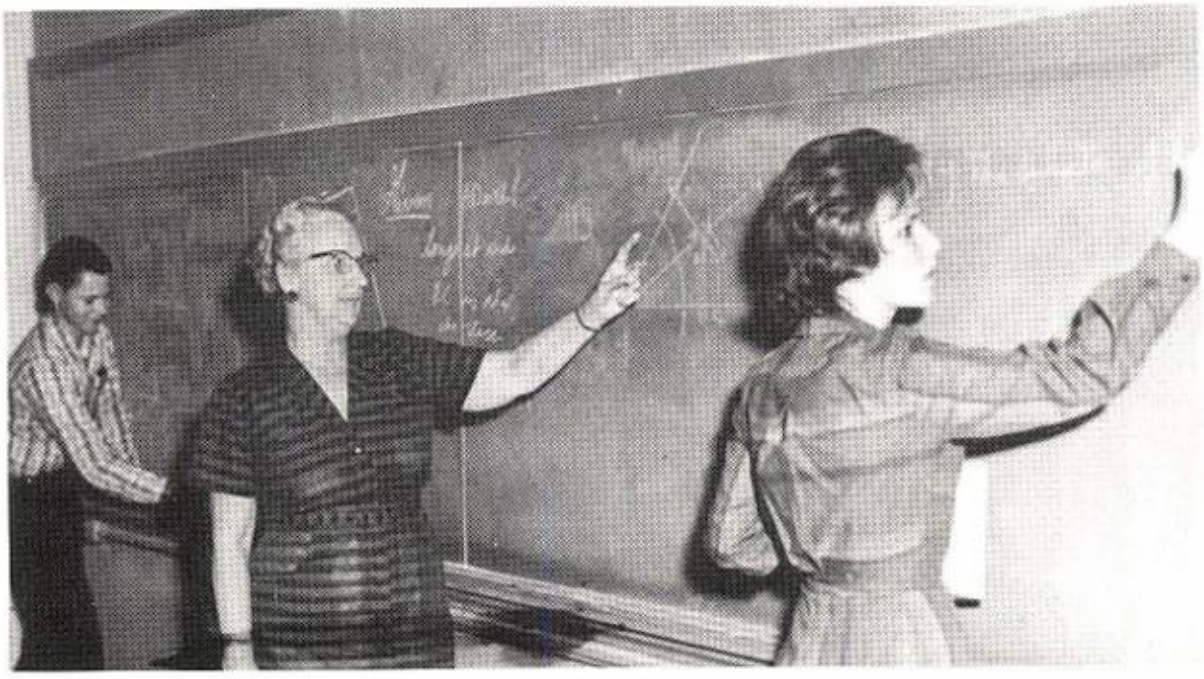
Class time is devoted to reading and discussing books.

Mathematics



Mrs. Corbin explains the proof of a theorem to the class while Cindy West and Gary Bowden practice on problems.

Various courses in mathematics are offered at King High to help students make the most of the growing opportunities in this field. Included among these subjects are algebra, trigonometry, plane and solid geometry, and commercial arithmetic. Through these courses the mathematics department stimulates the minds of the students to logical reasoning and deduction.

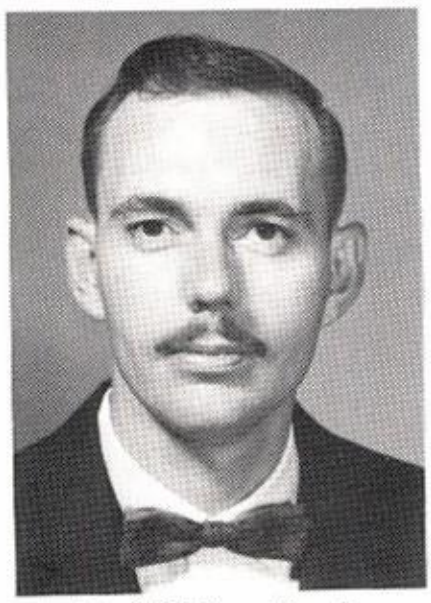
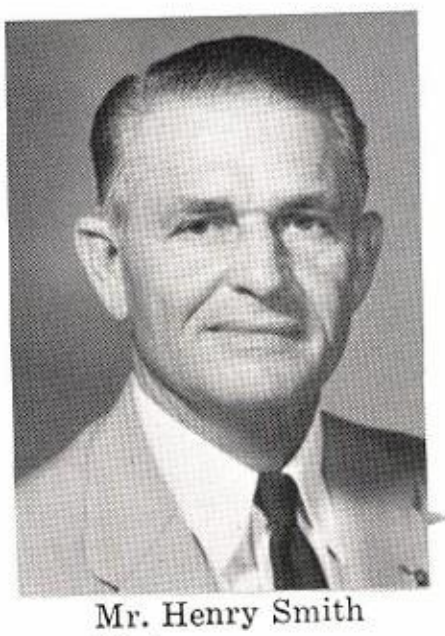
Science

Mr. Franklin Banta
Chemistry

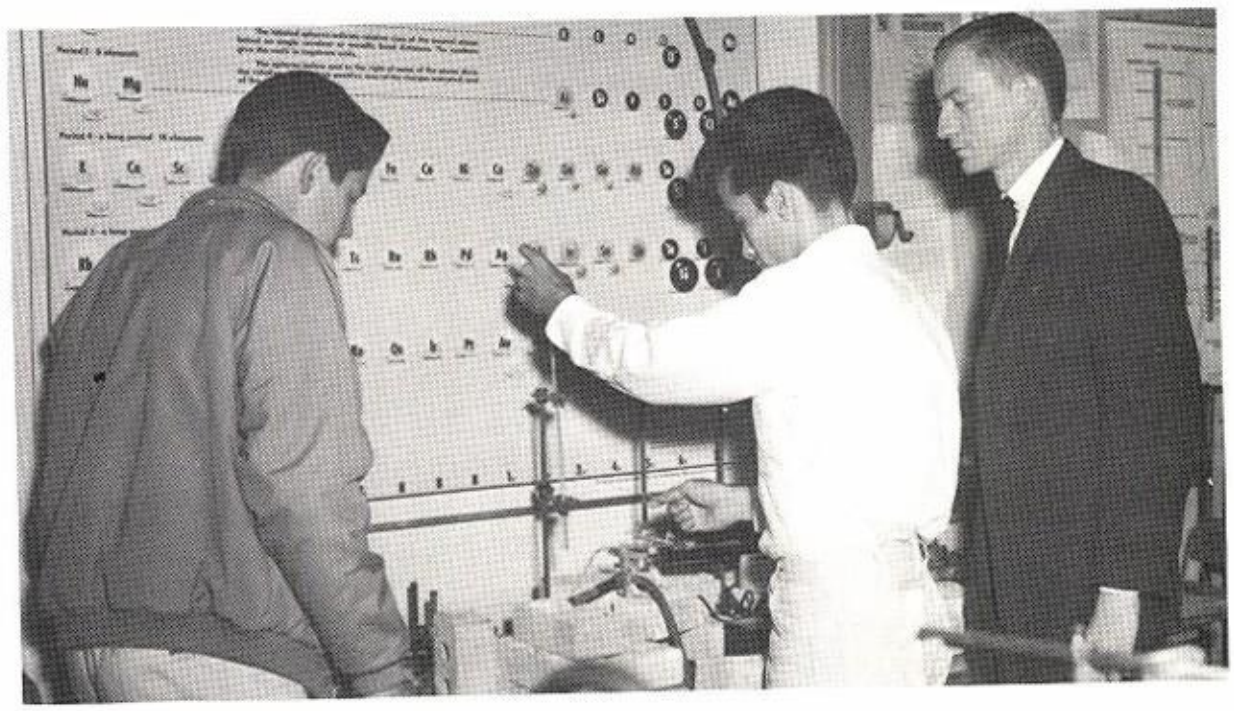


Mr. William Boyd
Physics, Algebra

Mr. Glenn Matheson
Biology



Mr. Henry Smith
Biology



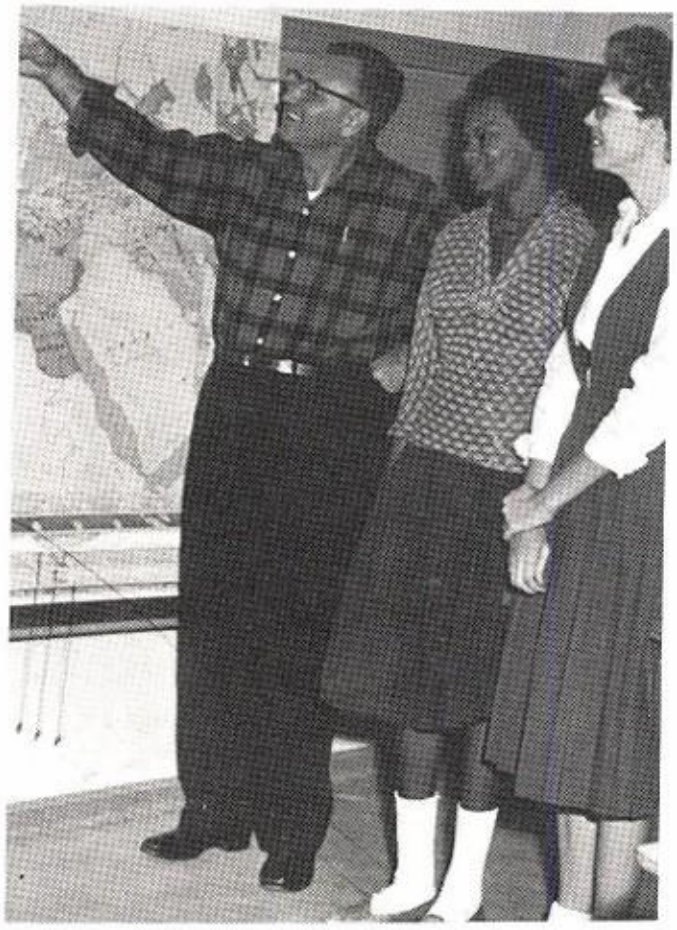
Mr. Banta watches cautiously as Bill Ryan and George Truan make rubies.

Science courses at King High are designed to broaden the interest and understanding of each student for this advanced age of science. In biology, plant and animal life is studied. The composition of substances and the changes they undergo is part of chemistry. Physics is the study of matter and motion.

Mr. Smith explains the object of interest on the microscope slide.

Social Studies

Perry Mason (alias Cliff Fry) and Lawrence Preston (alias Dennis Kellogg) fight it out for courtroom honors in civics mock trials.



Maps help Mr. Corbin explain World history to students.

The importance of social studies in today's fast moving world cannot be overestimated. At King High World, American, and Texas history, civics, and Current Social and Economic Problems are offered.

Students learn how people in various parts of the world develop different ways of thinking, acting, and living. They also learn about the principles upon which our democracy is based and the ways in which democratic government is carried out.

Mr. Aureliano Ortiz
HPE

It's a good thing Kingsville has mostly angle parking, eh, Micki?

Students receive the proper training in driver's education to become safe, informed drivers. In this course they learn the proper handling of the car, as well as Texas highway laws.

HPE is a plan for physical fitness. During the year students learn various sports including basketball, baseball, tennis, volleyball, and boxing. They also study a health and first aid course for six weeks.

If you break a limb, just ask Sue Allen or Connie Rohmfeld for help.

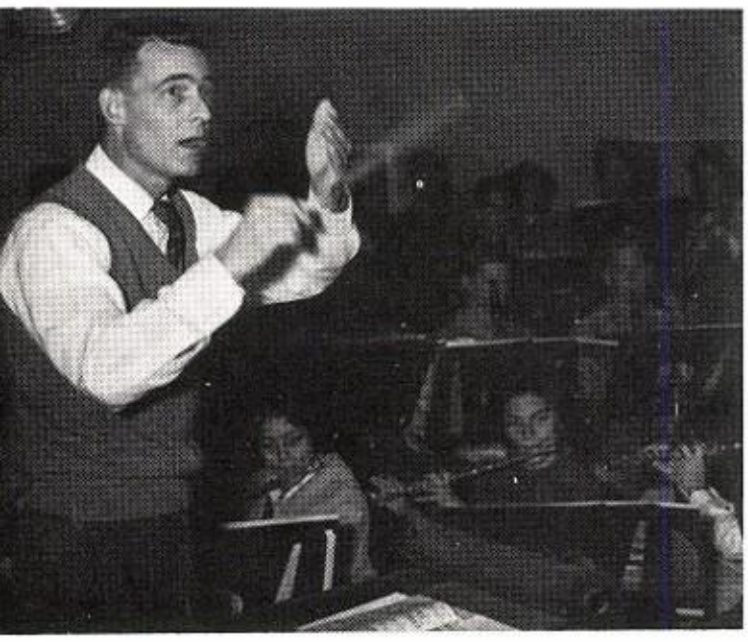
Music



Mr. Rogers directs,

Mr. Horn directs extra practice in groups.

as the band practices.

The music department consists of the A and B bands, chorus, and orchestra. Both the A band and chorus participate in concerts and U.I.L. competition during the year. These music courses are designed to develop individual ability, as well as to present an opportunity for group participation.

The band rests for a minute in one of their rare "Main Street" appearances.

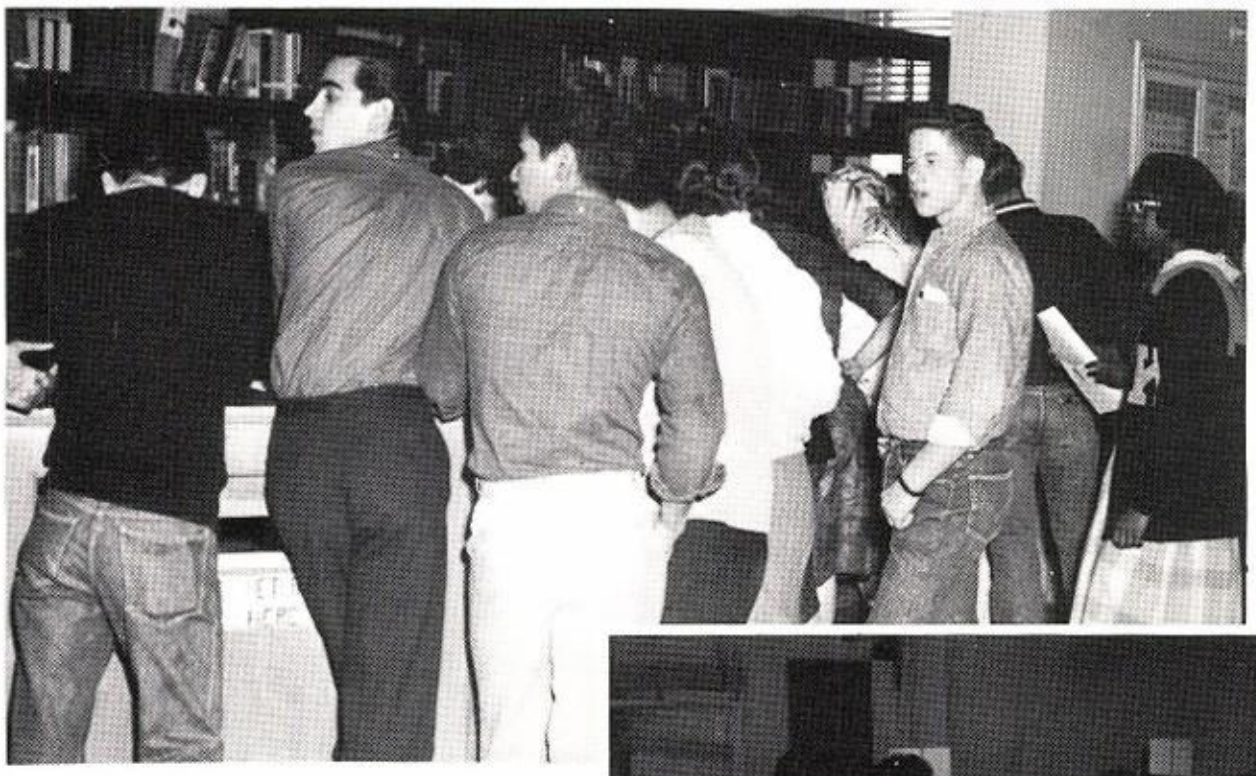
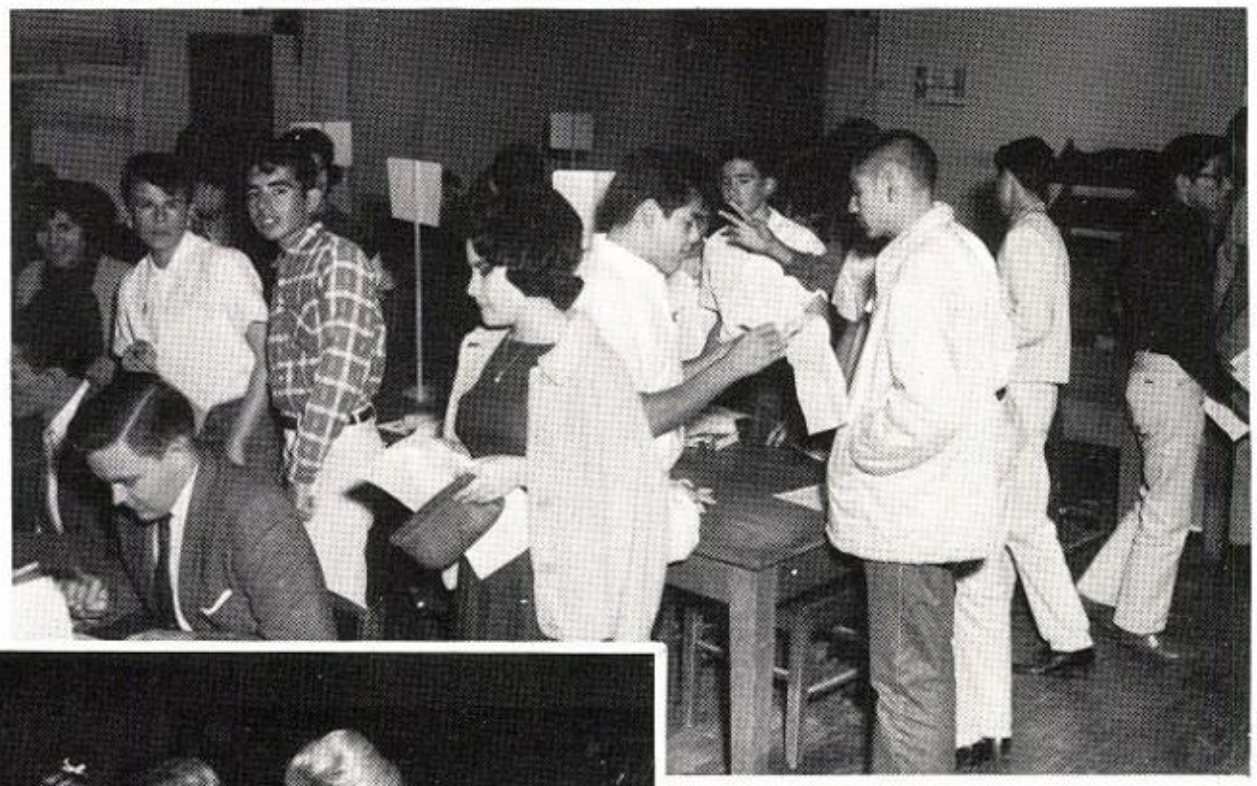
A brief break during a hectic day of registration.



Hey, Bartender, set 'em up.



Let me take DE or I'll poke you with this pencil.

Now is the time for all good teachers to come to the aid of lost students.

Registration is sooooo Much work!

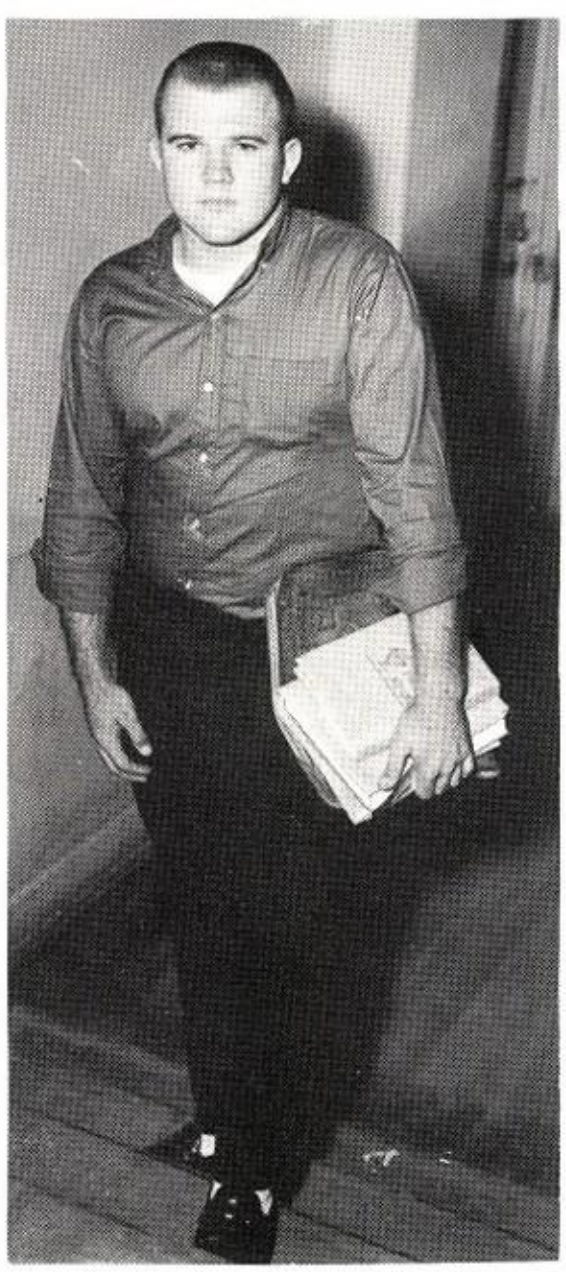
PERSONALITIES

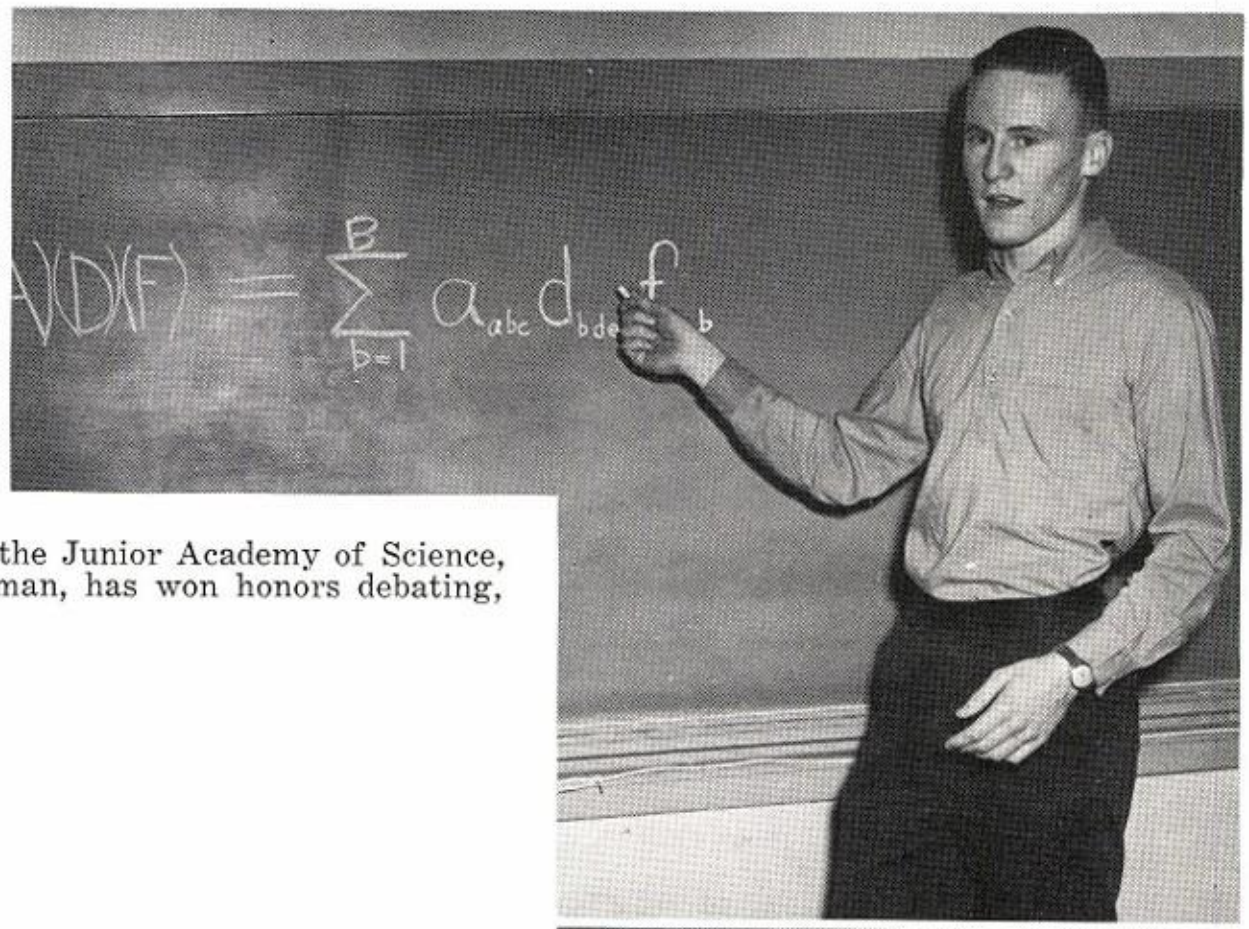
JOAN ATTERBURY: In addition to her excellent scholastic achievements and able assistance in the office, Joan is a sincere friend and willing worker. Not only has she excelled in Interscholastic League ready writing, and persuasive speaking, but she also participates in Latin Club and is historian for the Future Teachers. Many pages of this yearbook are the result of her steady determined efforts.

PAT BARLOW: This popular senior is an office assistant, has played in the band, been a three-year twirler, Homecoming Queen Candidate, secretary-treasurer of the senior class and vice-president of the student cabinet. She is also in Spanish Club, Future Teachers of America and FHA.



WHO'S

DONALD BLACK: Don, president of the junior class, centers his interests in football and track, but also maintains a good scholastic average. He is on the student council and shoulders much responsibility in making preparation for the Junior-Senior Banquet and Prom.



ROBERT BOYER: Bob's grade cards know only A+'s, but his friends know him as that versatile junior from Washington State, who won state wide recognition for King High with his three dimensional matrix. He is a member of the Junior Academy of Science, takes a correspondence course in German, has won honors debating, and has played basketball.

SHERI BULL: Sheri is 1962-63 Queen of Kleberg County, but her reign includes being an office assistant, vice-president of the junior class, member of student cabinet and Spanish Club. She performed in the one-act play, plays in the band, twirls for the K-Ettes and bubbles with enthusiasm.

WHO

PAT DAVIS: Pat's earned recognition for her scholastic achievements from the National Merit Scholarship Committee. This efficient senior office assistant has been in the band, Latin Club, Future Teachers, and Science Club. She is a top notch Brahma Round-Up reporter and on the debate team.

LINDA BOX: This petite senior with musical inclinations has been drum major, band officer, K-Ette, stage band vocalist, and band hall office assistant. She joins in Spanish Club, Drama Club, and student cabinet. She was named to National Honor Society, elected homecoming queen candidate and is a Who's Who repeater.

ELAINE FARMER: Elaine is not only the president of the Joy Chapter of FHA, but she has held district, area, and state FHA responsibilities. She is on the student council, sings in the chorus, and works on the one-act play.

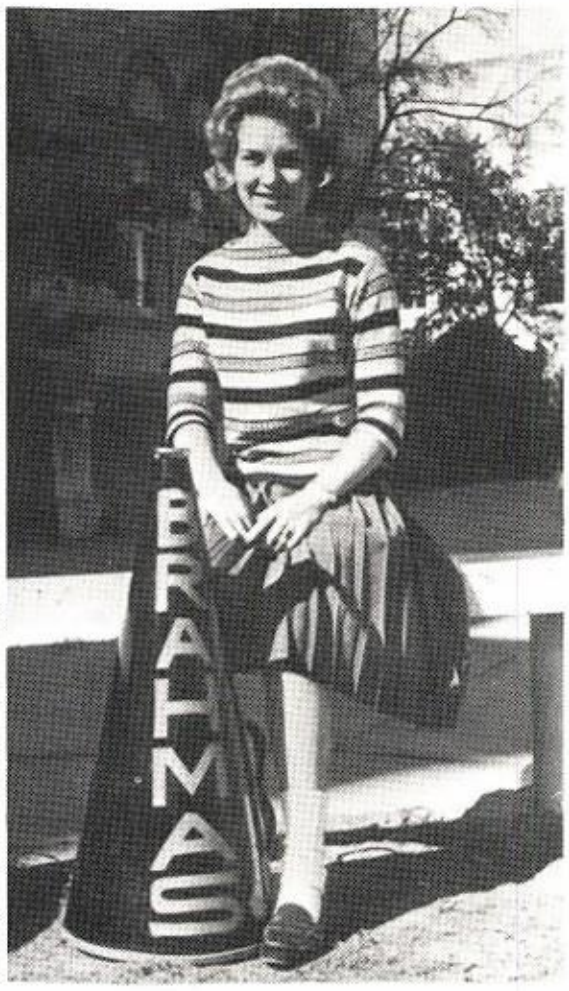
MARSHALL FEIN: Marshall put Kingsville on the nation's scientific map with his methane-ozone flame which earned him the Future Scientists of America National Scholarship. He is editor of the Brahma Round-Up, vice-president of the Science Club, reporter for the student council, and a three-year member of the Science Club.

WHO'S

SANDRA MELBERN: This blue-eyed blonde has twirled in the K-Ettes for three years. This year she is corps captain and band office assistant. Sandra has served as office assistant two years, is a student cabinet representative, and is in the National Honor Society.

JOHNNY KRUSE: Johnny is a junior with a high scholastic average and a specialized interest in tennis. He plays in the boys' singles tennis matches. His dependability and sincerity won this spot in Who's Who for him.

CINDY WEST: Cindy, a junior, is president of Latin Club, vice-president of Library Club, and was president of the Sophomore class and secretary of student council. Cindy has worked as a library assistant, organizations editor of the El Toro, and is a member of the Spanish Club. Her friendly personality makes her a campus-wide favorite.



GAIL GARLAND: Pert, vivacious Gail heads the Brahma cheering section, and participates in F.H.A., Spanish Club, and student cabinet. She's an office assistant, in National Honor Society, a Homecoming Queen candidate, and was named to Who's Who last year. She has won distinction with her prose reading.

WHO

JANET RHODE: Janet's a dependable junior whose activities include a library assistant, secretary for the library club, member of the Latin Club, Stage Band accompanist, debater, F.T.A. treasurer, and member of the Spanish Club. She's "one of six in the nation" to win a leadership scholarship for her church.

TISSA HIGGINBOTHAN: Tissa's overtime hours on the past three El Toro's should qualify her for more than one "jacket." Despite the fact that her yearbook work daily demands long hours after school for the entire year, she does serve on the student cabinet, belongs to the Spanish Club and is an active reporter for the Brahma Round-Up.

JANE HAUN: Jane has been all around the world and the King High campus, too. She is an FHA degree winner, a powder puff contender, and a "star" in the one-act play. She has served on the assembly committee and program committee for the Jr.-Sr. Banquet and Prom. She has burned the midnight oil as assistant editor of this yearbook.

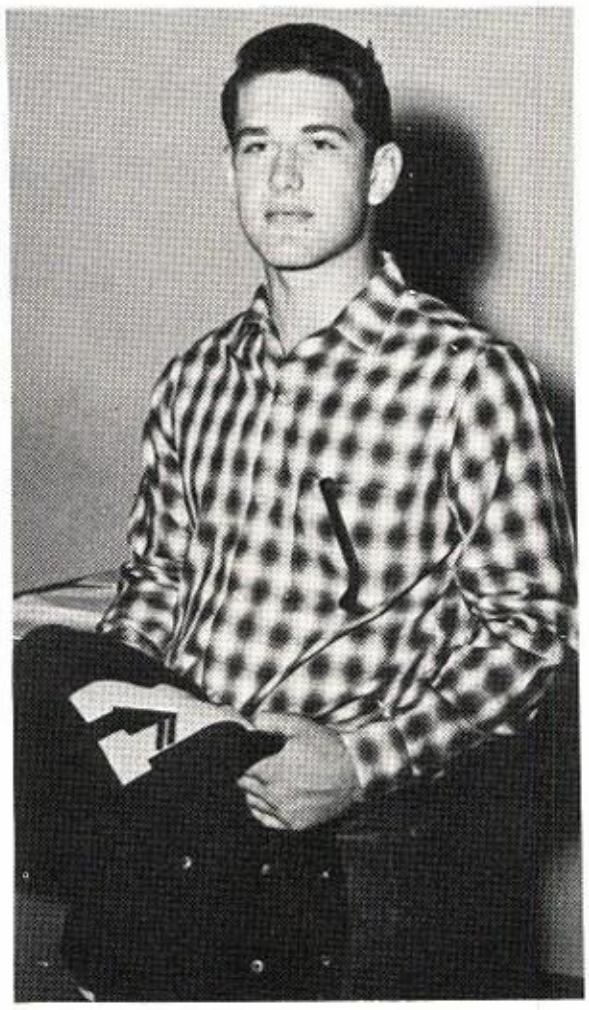
PAT MUMFORD: Pat's popularity, leadership, and scholarship are evidenced by these honors: Homecoming Queen, DAR Award, Elk's Leadership Award, Honor Society, Who's Who, Cheerleader, President of the Senior Class, Secretary-treasurer of the Student council, Brahma Round-Up exchange editor.

MAUREEN O'BRIEN: Maureen, King High's star soprano is widely sought for benefit work. She is the soloist for the stage band, sings in the choir, assists in the office, belongs to the Spanish Club, and maintains a scholastic average that qualified her for the National Honor Society.

WHO'S

KAY LYNN SHARP: Kay Lynn, although often found on the tennis courts, is active in other phases of school life. She has been FHA city-wide president, District FHA president, and Chapter vice-president. This year Kay Lynn is the junior class reporter.

BOBBY SMITH: Bobby, a junior, is especially interested in sports. He has excelled in both track and football by making the district team in football and going to regional in track. Besides these interests, he is also a member of the Spanish Club and is President of K-Club. Bobby has managed to keep a high scholastic average in addition to participation in many extra-curricular activities.



WHO

LOUIS STRIPLING: Louis presides over the student cabinet, the student body, and the Brahma Band. He was a Boy's State representative, received an Elk's leadership Award, and is a member of the Junior Academy of Science. He has participated in slide rule, extemporaneous speaking, and tennis, the Latin Club, Science Club, and Stage Band. His scholastic average also put him in the National Honor Society.

SHARON WEISMAN: Sharon is easy going and easier to get along with. A second year member of Who's Who, she is also in the National Honor Society. Sharon can be seen on most afternoons practicing tennis, a game she plays well. She was a class officer and member of the student cabinet in the sophomore year and this year is an office assistant.

Homecoming Queen, Pat Mumford

Pat Mumford, elected from all senior girls, was presented as King High Homecoming Queen for 1962 at the football game on October 19. Her father, W. M. Mumford, was her escort. A dance following the game honored her.

KING HIGH BEAUTIES

LINDA BOX

Linda, one of King High's Senior beauties, was crowned Miss Posture of Texas, June 1962. Following her selection, she competed in the National Correct Posture Contest, in which she was one of the finalists.

Linda's beauty and charm have helped win her many deserved honors.

SHERI BULL

Sheri, Miss Kleberg County 1962-'63, is another one of the beauties to be found in King High. Crowned Miss Kleberg County, July, 1962, she was awarded a trip to Hollywood.

Sheri's beauty and winning personality have found a place in the hearts of King High students and faculty as well as the members of the community.

Go easy on the brake, Neill!

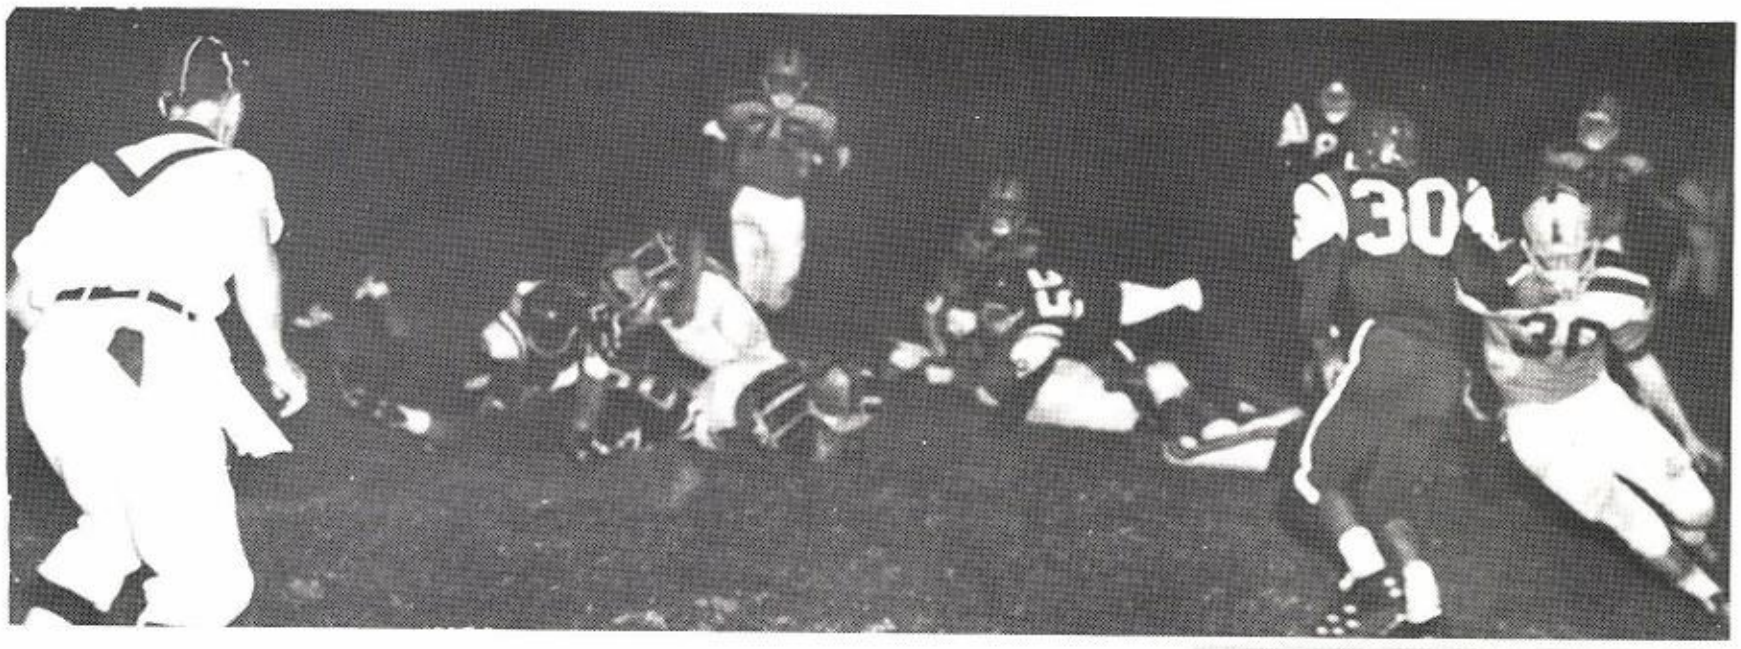
Brahmas Sack Pickers

Kingsville's Brahmas whipped the Robstown Cottonpickers, 22-0, in Robstown, September 14, making the opening game of the season a very significant victory to all Brahma fans. The Bulls won the equalizer and tied the Pickers in all-time winnings. Both teams have won 21 games in the 44 year rivalry. Two games were tied.

Bulls Corral Jerseys

Cecilio Ruiz, Brahma tailback, romped for two touchdowns and 171 yards as the Bulls rambled over the Falfurrias Jerseys 36-6 in King High's second game of the season.

The big Bull defense held the Fal team to no serious threats with the exception of a Jersey drive to the Brahma two-yard line in the third quarter.



Brahmas Down Buffs

Facing the first 4A competition of the season in their first home game, the Brahmas raced past previously undefeated San Antonio Fox Tech, 36-6. Tech's score, the first points scored against the Brahmas, came late in the first quarter on an 80 yard punt return which stood up for six points.

Bulls Trample the Voks

King High started off the fourth game of the season against the out-matched Voks with a touchdown in the first two minutes of the game. The game was plagued with fouls and fumbles, but still the Bulls raced up a score of 48 points.

Bulls Clip Eagles

Due to three disastrous fumbles and good defensive plays, the Bulls scampered past the Eagles. This victory ended our non-4A District games with an undefeated record of five games.

Edinburg Upsets Brahmas

King High's opening game in district 14-AAAA was spoiled as Edinburg booted three field goals and upset the previously undefeated Brahmas by a score of 9-0 on October 19. An inspired Bobcat defense held the Bulls to only one serious threat that came by the way of an Edinburg fumble.

Eagles Claw Bulls

Virtual elimination from the South zone was handed to Kingsville by a defeat at the hands of the Brownsville Eagles on November 26. The Eagles turned back the Brahmas 14-0 as the Bull offense never seriously threatened.

Bulls Clobber Cardinals

King High won its first game in District 14-AAAA as the Brahmas downed the Harlingen Cardinals, 43-12. The Bulls completely demoralized the Redbirds by scoring two touchdowns in the first five minutes with one coming on an opening kick-off jaunt by Gaspar Rameriz.

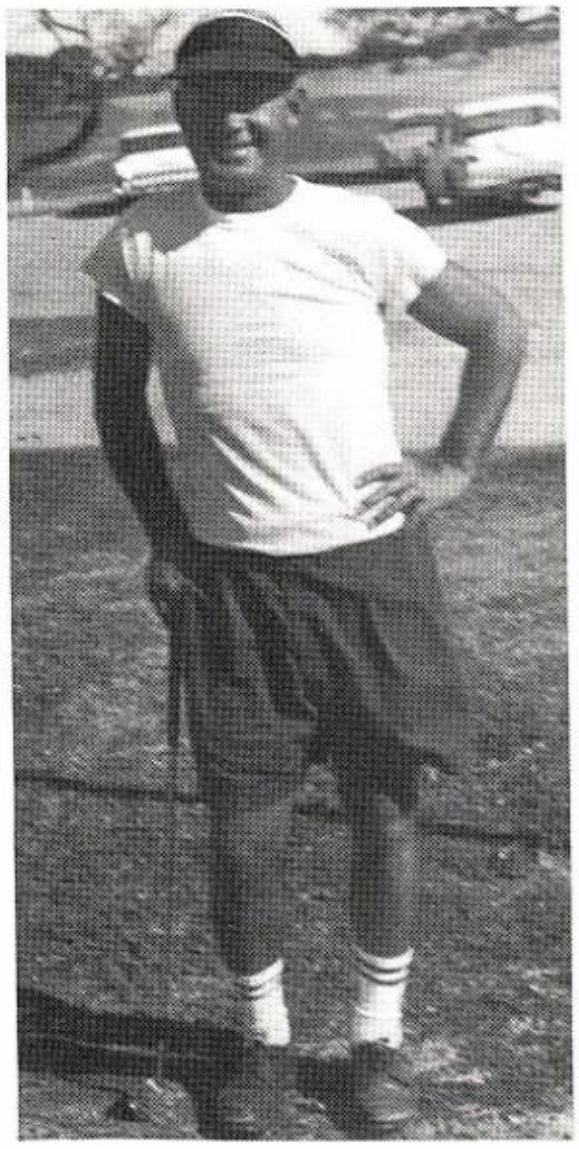
GOLF



Coach W. M. Mumford

The Brahma golf team, coached by W. M. (Dub) Mumford, entered the 14AAAA District competition for the first time this year.

The first Brahma golf team was organized in 1958 when the Bulls were still in 3A. Every year the Brahma golf team was one of the strongest in its class, and twice went to regional, once barely missing a state tournament berth.

Although the district tourney isn't until April, the golf team begins its tournaments in December and will compete against most district members before the actual district tournament.
